

Seacliff PTA Membership Drive

We are excited to announce the start of the annual Seacliff PTA Membership Drive!! By working together we can build the most successful educational environment for our children.

When you join the Seacliff PTA you are helping our school to fund important programs such as Meet the Masters, Sparks (PE program) and M.I.N.D. (JiJi Math) and helping our local PTA with training, conferences, advocacy and organizational support.

Please fill out and return the attached PTA membership envelope. Each membership is \$6.00 and checks should be made out to Seacliff PTA. We encourage family, friends and teachers to all join. Our goal is 100% membership.

Shining With Excellence!

The class with the most PTA members by October 28th will win a popsicle party!!!
